

**TLAB
Parental Commitment**

I will support my child's / children's participation in TLAB by:

- Ensuring follow through in the areas specified in my child's individual curriculum. (At least suggested minimum levels).
- Attending and participating in all parent university meetings, special sessions and training addressing a variety of education/professional development subjects.
- Encouraging my child to be an active and engaged participant in their quest for academic excellence and exceptional leadership performance.
- Making sure she / he will have access to a computer access at home, local library, or at a TLAB facility. As well, ensuring that my student will only access approved content while participating at TLAB@DWO.
- Completing all scheduled tutoring sessions on time with a great attitude.
- Supporting the TLAB events and fundraisers with a minimum purchase or sale of a minimum of 2 tickets per major event each calendar year.
- Paying the monthly fee for access to designated learning systems and programs on time.
- We will seek excellence and pursue the highest possible score on ACT and SAT including taking examinations on multiple occasions.

I understand a lack of participation in TLAB and delinquency in financial support is cause for suspension to access of software and services provided by TLAB.
